Japanese Operations On Liao-Tung Peninsula

ST. PETERSBURG, May 7.—General Mukden before the Japanese seized the Pflug, Admiral Alexieff's chief of staff, railway. telegraphs that forty Japanese trans-ports appeared on Wednesday opposite Pi-tsu-wo, on the east coast, and eighty miles from Port Arthur. The next morn-ing they began to land troops at Pi-tsu-wo and Cape Terminal, supported by artillery fire. Then about sixty transports were seen bearing down on the

The Russian posts retired from the shore. The documents in the Pi-tsu-wo postoffice were removed, and the Russain residents left.

According to Chinese reports, 10,000 Japanese landed by evening. The whole force probably consists of 30,000 men. They sent two columns, each consisting ut a regiment, one westerly and

Train Fired On.

A passenger train which left Port Arthur yesterday was fusilladed near Pulanth (on some maps Polandien) by a hundred Japanese infantry, who occupied a height east of the railway. The train contained many passengers and about 200 sick, who occupied ambulance cars, carrying the Red Cross flag. Two invalids were shot in the legs. The train ran at high speed and reached Pulantin, which is just west of Pitsu-wo.

Confirmation of the reports of the closing of the harbor at Port Arthur's received. are completely isolated causes universal rejoicing, but no surprise. The capture of Port Arthur is confidently expected. The Japanese successes on land are reported to have created a deep impression on the shore. Our vessels bounded to have created a deep impression on the shore. Our vessels bounded to have created a deep impression on the shore. Our vessels bounded to have created a deep impression on the shore. Our vessels bounded to the Koreans, who had believed the Russian army unconquerable.

The Japanese successes on land are reported to have created a deep impression of a state that can be added to the official dispatches. There is no authoritative statement of the strength of the Japanese forces that have landed in Manchuria. One who professes to be invested places the number at more than 60,000.

The name of the commander of the invading force is not given, and the disposition of the troops is, of course, not divulged. There is no mention of the occupation of Kinchau, except Minister Griscom's dispatch to Washington.

The landing of the Japanese has been so successful that the warships escorting the transports have rejoined the squadron, reports he convoyed the first portion of the second army coips to the Liao-tung base.

From the fact that bodies of Japanese for the squadron, reports he convoyed the first portion of the second army coips to the Liao-tung base.
